

## Custom Engraving Requirements

SAVY is proud to offer custom engraving of our 2 and 4 mic holder plates. To ensure the best outcome we have the following requirements.

- Logo or text must be monochrome with no gray scale.
- Avoid fine detail. The process involves burning off the powder coat paint on the product.
- The following file formats are accepted. JPG, JPEG, PNG, TIFF, GIF
- The engravable area of the plate is approx. 1 ½" x 1 ½" Please be sure that your artwork will look good at that size.
